

## 11/30/2020 LAST CALL FOR GIFTS FROM THE HEART TOY DRIVE

So far, 15 SIS members have purchased toys for children. Thank you!

If you still want to participate, it's not too late. If you order online (see below for details about how to do this), the gifts need to arrive to the warehouse by Dec. 15th. BUT, if anything arrives later, they will save toys for next year.

Also, you can purchase Walmart, Amazon or Target gift cards. Gift cards need to be dropped off at the warehouse. But, if you send them to me, I can drop them off.

Two options for sending gift cards to me:

1. Buy at store and send to my home address at 310 25th St. Sacramento, CA 95816.
2. Buy online and forward to my email at [kmsmith22@gmail.com](mailto:kmsmith22@gmail.com). I will print them out and deliver to the warehouse.

I will take gift cards to the warehouse on Friday, Dec 11th, so please send them to me before that.

Thank you so much! Tonja and everyone at Sacramento County is very grateful for our support.

Karen Smith
