

# Random Acts of Kindness

<http://blogs.egusd.net/reith/>

The Project Selection Committee has met and has put forth the recommendation to support the John Reith K-2 grade with gift cards for lesson plans for the 20/21 school year. A friend of Soroptimist Sacramento, Ms. Lessman teaches second grade there.

The way it works is that there are 10 teachers for the K-2<sup>nd</sup> grade classrooms. These teachers at this Title 1 school must engage at risk youth over the internet by supplying engaging and informative lessons.

That is where we step in. The committee proposes to “pass the hat”, to you our members. This of course is entirely voluntary on your part. Once the donations have been collected, we will buy gift cards for each teacher in the amount of 1/10 of the funds collected. The gift cards will be purchased from Teachers pay Teachers. Their website information and a pictorial sample of the kinds of lessons available is shown below.

Many teachers are child focused and not that tech savvy. These lesson plans give them the ability to do what they do best, teach. In addition, each teacher has a meme that can be inserted into the lesson plan as if the lesson is being taught by the teacher meme. This way students will be interacting with their own teacher, not a random person.

LET'S RAISE \$1,000!! You can send your check to me **MADE OUT TO SIS**, Kathleen Platz 730 Howe Ave, Ste 100, Sacramento, CA 95825. Maybe donate the cost of one Crab Fiesta Ticket, which we are not doing this year. (\$70) maybe more or as little as you want. Or nothing.
