Dear Ms. Adams:

On behalf of the Department of Child, Family & Adult Services Gifts from the Heart Program (GFTH), thank you so much for your organization's generous donation of toys to the Gifts from the Heart Santa Shop. Your donation is tax deductible using the County of Sacramento Tax I.D. #:94-6000529. Your contributions ensured that, during these continuing difficult times, we were able to continue to provide holiday gifts to children of all ages served by CPS.

In 2021, despite the ongoing COVID-19 pandemic, GFTH was able to provide holiday gifts to over 2,500 children, seniors and disabled adult clients. This includes nearly 700 children who received gifts through the GFTH Santa Shop, thanks to generous sponsors like you! I continue to be humbled by your kindness, as well as your dedication to providing holiday gifts to some of the most vulnerable children in our community.

GFTH has been able to continue, with your help, to make holiday wonders, lift spirits and give hope to clients served by Sacramento County's Department of Child, Family & Adult Services (DCFAS). Thank you once again for caring enough to support our program over the years, especially in 2021! You have helped our clients to know that their community cares about them, and that they are not alone.

Sincerely,

A handwritten signature in blue ink, appearing to read "Tonja Edelman".
